MOTION BY SUPERVISOR DON KNABE

February 22, 2005

The Tuskegee Airmen have been cited numerous times for their bravery in combat during World War II. Since February has been designated as Black History Month, it is important to remember our history.

I, THEREFORE MOVE, that the Board of Supervisors salute the courageous service and contributions of the Tuskegee Airmen, and dedicate Tuesday, February 22, 2005 as Tuskegee Airmen Day in Los Angeles County.
